

Hello, everyone!

We are so excited for this year's Plant Sale! Our new greenhouse is jam packed with **certified organic vegetable, herb, and flower plants** and they look great. They are so happy to be growing in a proper greenhouse this year where they have enough light, ventilation, and humidity control to be their best selves.

A big part of why we are excited about the plant sale is we can't wait to see you! See below for the details about the event and the type of plants we will have. Also, don't forget to sign up for your [2023 membership](#). **Returning members can get \$10 of free plants at this year's sale.** Please spread the word to your friends and family about Troy Farm Membership and the Plant Sale - word of mouth is one of the best ways for people to learn about us.
